

Marjorie Neal

Marjorie is a life-long gardener, a Master Gardener™ instructor in vegetable gardening in Jackson, Josephine, and Douglas, counties, and one of Jackson County's experts for the OSU Extension's "Ask an Expert" web-based horticultural information service. She became a Jackson County Master Gardener™ in 1994. Today, her interests range from iris to heirloom gardens, and she grows a full range of vegetables and fruits in the foothills of Jackson County.

Program Descriptions

TOMATO GARDENING

- Ten Tips for Top Tomatoes
- What's New in the Tomato Patch
A discussion and demonstration of grafting, health benefits, and disease-resistant varieties - 45 minutes.
- Start Right, Finish Strong
Tomato growing for beginners - 45 minutes.

VEGETABLE GARDENING

Discussion of all aspects of growing your own food.

Rx FOR PERENNIALS

Discussion of growing and maintaining commonly grown varieties of perennials in the Rogue Valley. Discussion can be tailored to spring or fall - 45 minutes.

IRIS, THE RAINBOW FLOWER

Discussion will emphasize selection and care of irises, especially tall bearded iris - 45 minutes.

PLANT PROPAGATION

Discussion and demonstration will address seed starting, division/layering, and cuttings - 30 minutes to 1 hour.
