
Help JCMGA when you shop at the Grange

**Buy tools, plants
and supplies**

**Say “Jackson County
Master Gardener”
account #15333**

**Grange sends
us money**

Every time you shop at the Grange we can earn money! How cool is that? Whenever you shop at any of the Grange Co-Op locations, tell the clerk you are a Jackson County Master Gardener (account 15333) and they will credit our account with the amount of your

purchase. At the end of the year, JCMGA will receive a percentage of all our accumulated credits back in the form of cash! This is like free money since we all buy plants, tools, and garden supplies! With that one caveat aside, this is one of the simplest and easiest fundraisers we can do.
