

BECOME A MASTER GARDENER!™

Oregon State University Extension Master Gardener volunteers are neighbors, friends and family who you can go to for garden advice that is grounded in science and locally relevant.

We are garden educators and on-the-ground community scientists.

Master Gardeners receive extensive training and complete a university-taught course in topics including botany, pest identification, soil management and diagnosing plant problems, to name a few.

Let's
talk
plants!

To participate, come to an Information Session at the OSU Extension Office in Central Point on:

- Nov 7 at 6 pm,
- Nov 8 at 2 pm, or
- Nov 14 at 10 am

Please RSVP to Jane at
janemoyer@compoint.net
